Test Case Title	Post-Interview Scorecard Recording
Requirement ID	FR-005
Requirement Type	Functional Requirement
Test Category	Post-Interview Feedback / Scorecard
Priority	Medium
Test Owner	K R Manoj

2. Requirement Under Test

FR-005: The system shall allow structured post-interview scorecards to be recorded for mock interview sessions.

3. Test Objective

To verify that an Alumni Mentor can record and save a structured post-interview scorecard containing performance ratings and feedback after a mock interview, and that the recorded feedback can be viewed by the Student Mentee.

4. Test Scope

In Scope:

- Opening the completed mock interview session.
- Opening the post-interview scorecard form.
- Entering structured performance ratings.
- Entering qualitative interview feedback.
- Saving and verifying the submitted scorecard.

Out of Scope:

- Mentor recommendation and matching.
- Session booking and calendar synchronization.
- Double-booking prevention.
- Viewing the recorded scorecard as the Student Mentee.
- Privacy and soft-deletion testing.

5. Preconditions

1. The system is available for testing.
2. The Alumni Mentor is registered and logged into the system.
3. A mock interview session has been completed and is available in the system.
4. The Student Mentee associated with the interview exists in the system.

5. The mentor has access to the post-interview scorecard functionality.
6. The system provides a way to verify the soft-deletion status and completion time of requested data.

6. Test Data

Test Data	Description	Purpose
Student Mentee	Student who participated in the mock interview.	Used to verify that feedback is associated with the correct student.
Alumni Mentor	Mentor who conducted the mock interview.	Used to enter and submit the scorecard.
Interview Type	Mock Technical Interview.	Used to identify the session for scorecard recording.
Performance Ratings	Technical Knowledge: 4/5; Communication: 4/5; Problem Solving: 3/5; Overall: 4/5.	Used to verify structured rating entry.
